THIS IS NOT AN OFFICIAL GRADUATION LIST

While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in the omission of some names and the use of names of persons not completing graduation requirements as intended. The College's official registry for the conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the Registrar.

HONOR DESIGNATIONS

Honors designations in this program are incomplete, tentative, may not properly represent a student's academic accomplishment, and are subject to change. Final honors designations will be represented on the official diploma and on the transcript.

Letter from the President

Dear Graduates,

On behalf of the District Board of Trustees, administration, faculty, and staff of Tallahassee State College, it is my privilege to extend our heartfelt congratulations to the Class of 2025. We're thrilled to be celebrating this remarkable milestone with you!

The road to this moment has been filled with dedication, hard work, and perseverance. I am so proud of what you have accomplished, and I am confident that the experience and skills you gained while here with us at TSC will be invaluable as you step into your next chapter. Most of all, I hope you have learned that no matter what challenge life throws your way, you have the resilience to rise above it. The bigger the challenge, the greater the opportunity.

As you head off to make your mark on the world, remember that our doors will always remain open to you. Your contributions to our college community—your insights, efforts, and achievements—have enriched us all, and we are grateful for your time with us.

Congratulations once again, and best wishes for a bright and fulfilling future.

Sincerely,

A handwritten signature in black ink, reading "Jim Murdaugh". The signature is fluid and cursive, with a long horizontal stroke extending to the left.

Student Speaker

Destinee Britto

President, Student Government Association

A native of Trinidad and Tobago, Destinee Britto moved to Tallahassee in 2021. A member of the Class of 2025, she will transfer to Florida State University in the fall to major in sport management and pre-law.

A dedicated leader, Destinee served as the 2024-25 Student Government Association President, advocating for student success and engagement. She also served as the Vice President of Communication and Fellowship for Phi Theta Kappa and was an active member of the International Student Organization and the Black Student Union. Destinee was named a 2025 DREAM Scholar by Achieving the Dream (ATD), one of only eight students nationwide chosen through a competitive selection process.

Passionate about service, Destinee volunteers with Ladies Learning to Lead and STEM4Girls and serves as an ambassador for the Royal Bank of the Caribbean's Race for Kids. She aspires to become a sports lawyer specializing in immigration law, using her platform to advocate for others and empower her community.

Commencement Speaker

Christian Caban

TCC Class of 2013

District 2 County Commissioner, Leon County

Christian Caban grew up in Ocala and came to Tallahassee to pursue his education at Tallahassee Community College. In 2013 he received an AA from TCC, now TSC, and then graduated from Florida State University with a degree in Chemistry in 2015. He looks back on his time at TCC as foundational to his personal and professional growth. While attending classes, he lived off White Drive and Bellevue Way and worked nights as a security guard at Hotel Duval.

Christian credits the close-knit academic environment at TCC—with easy access to one-on-one conversations with faculty—for helping shape his path forward. That support and sense of community helped him build the confidence and work ethic that would guide his next chapter.

Today, Christian is the managing partner of a thriving hospitality company that owns and operates some of Tallahassee's most beloved local spots, including Clyde's and Costello's, The Warehouse, and Recess. His journey from student to successful entrepreneur and elected official is a testament to the power of perseverance, opportunity, and local roots.

Academic Regalia

The graduates of Tallahassee State College have a range of educational goals and accomplishments. Most of those who graduate tonight with associate in arts degrees are or will be, furthering their education at four-year colleges or universities. Graduates who have completed their associate in science degrees or certificates in particular areas are prepared to begin careers and join the workforce. Tonight's graduates have had many opportunities afforded to them during their time at TSC, allowing them to accomplish their goals and excel in their studies. While we are not able to list all of the co- and extra-curricular activities, we do acknowledge and honor our graduates' participation in a variety of academic teams, clubs, and organizations at TSC. Special recognition will be called for the following graduates:

Bachelor of Applied Science in Business Administration, <i>Drab Hoods</i>	Graduating with Honors, <i>Gold Cords</i>
Bachelor of Science in Elementary Education, <i>Light Blue Hoods</i>	Honors Program, <i>Gold Stoles & Medals</i>
Bachelor of Science in Nursing, <i>Apricot Hoods</i>	Phi Theta Kappa, <i>Gold Stoles & Medallions</i>
	Veterans, <i>Red, White & Blue Cords</i>
	Student Government Association, <i>Royal Blue and Gold Cords</i>

In medieval days, clothing not unlike that worn by the participants in today's commencement was quite common. Modern academic regalia has evolved from the dress of medieval guilds and early religious orders. Members of the administration and faculty of Tallahassee State College wear the colors of their alma maters.

The color of the velvet trim on the academic hood represents the subject of the highest degree held by the wearer. Additional velvet trim indicates a doctorate. Sleeve style also indicates the type of degree held. A long, pointed sleeve indicates a bachelor's degree. Master's gown sleeves drape freely to the wrist, extending back in the classic crescent shape. A round, open sleeve identifies a doctoral degree.
