Building construction management

The Board of Trustees, Tallahassee Community College, Florida (The Board) adopted the policy that requires general contractors meet specific criteria before being invited to bid on educational facilities construction projects. These criteria are contained in Section 4.1(8) State Requirements for Educational Facilities, Rule 6A-2.0111, Florida Administrative Code and are embodied in this application without modification as required.

The Board elected the option, as provided in the above cited Rule, to pre-qualify general contractors on an annual basis to competitively bid projects between \$1 million and \$5 million dollars. Therefore, this Pre-qualification application (RFQ) will cover the period February 1, 2018 through January 31, 2019.
