

Greg Tish ('89)

Lifelong Tallahasseean and host of The Greg Tish Show on Real Talk 93.3, Greg Tish has won over a dozen local awards for his entertainment work, including winning “The Best of Tallahassee” award for Radio Personality for the last six years in a row.

Often referred to as “The Mayor of Tallahassee,” Greg’s passion for the community and the region shines through his work in radio. His love for radio started in middle school. His first introduction to the airwaves was a short stint on WSNI Sunny 107, an oldies station that’s no longer on the air. Greg pitched an idea for TCC Tuesday on his local talk radio show, and this project has had a big impact on the College. Greg’s impact extends far beyond the airwaves. Through his company, GT Entertainment, he has supported dozens of charities and charitable events in our community, like Party with a Purpose.
