

KELLI KILCULLEN

Consolidated Dispatch Agency

Kelli Kilcullen began her communications career in 1996 with the Leon County Sheriff's Office (LCSO), where she gained experience as a Training Officer, Shift Supervisor, and Quality Assurance Specialist. After the agency's consolidation, Kelli became the Quality Assurance Supervisor, managing three specialists and helping to structure the program. She then served as Interim Assistant Director of Professional Development, Bureau Chief of Operations, and Communications Training Officer Program Coordinator for the Tallahassee-Leon County Consolidated Dispatch Agency.

Kelli was recently appointed as the Accreditation Manager, eager to learn a new aspect of the agency before her retirement. She graduated from Florida State University's Certified Public Manager (CPM) program in July 2021 and serves as one of the FCIC Agency Coordinators, DAVID contact person, and a member of the agency's Peer Support Team.

Outside of work, Kelli enjoys spending time with family and friends. She values interaction with her colleagues and believes that every team member, regardless of experience, has something valuable to contribute.
