MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at both the TCC Main Campus and the TCC Florida Public Safety Institute for information for the Board of Trustees.

Overview and Background

Main Campus:

Work continues on several small health and safety related projects. New electric water coolers conforming with the ADA Accessibility Guidelines are being installed at the Academic Support and University Center buildings. Architectural planning continues for renovations to the Dental Hygiene lab areas and renovations to the Science lab areas.

Ghazvini Center for Healthcare Education:

One piece of specialty medical equipment remains on backorder for the Surgical Technology program. Otherwise, this project is ready to come off the list.

Florida Public Safety Institute:

All work on the natural gas conversion project is complete with exception of the Cafeteria. The contractor is having difficulty finding specialty parts for the equipment in that building, and several more weeks may be required before the project is complete.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
