MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Amendment to Lab Fees for 2013-14

Item Description

This item requests a change in course lab fees to be effective Spring 2014.

Overview and Background

Due to course changes mandated by the State Course Numbering System, we are requesting that current lab fees for Nursing labs and clinicals be attached to different course numbers to reflect the updated state requirements as shown on the attachment. The total amount for the lab fees for the courses are not changing, just the course numbers associated with the fees. We are adding the lab fee for each lab and clinical to reflect the new course number which now combines the lecture, lab, and clinical.

Past Actions by the Board

The Board approved the fees in May.

Funding/Financial Implications

The collection of these fees will not affect the College budget because the fee amount is not changing.

Staff Resource

Barbara Sloan

Recommended Action

To approve the lab fees for the specified courses for the remainder of the academic year.
