MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at Tallahassee Community College locations for information for the Board of Trustees.

Overview and Background

Main Campus: Construction of the Dental Hygiene Renovation is complete. In preparation for the next Educational Plant Survey, contracts have been executed to update the campus master plans for Main Campus and the Public Safety Institute. As part of the master planning process, feasibility studies are underway for the former Hood and Gorman buildings at Main Campus.

Wakulla Environmental Institute: Additional information has been requested by the U.S. Economic Development Administration, which will be complete by November 15.

Florida Public Safety Institute: Engineering design continues for the remediation of the earthen berm behind the firing range and related stormwater treatment areas. Construction of this project is anticipated to begin in May 2015.

Gadsden Center: Construction documents are scheduled to be complete on December 15, 2014. Selection of the construction manager will be presented as a separate board agenda item.

Past Actions by the Board

None.

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
