MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President *JM*
SUBJECT: Grants and Contracts - Provider

Item Description

This item requests that the Board approve the receipt of funding for the listed projects.

Overview and Background

The following are recommended for approval:

I. Receipt, Amendment, Extension of Resources

Florida Division of Emergency Management – Mobile Home Tie-Down Program

This amendment allows for the continued efficiency of the process TCC established with the Mobile Home-Tie Down Program. Most notably the unified step for pre-review and installation. The initial contract required pre-review and installation to occur at different times, by different vendors. This separation would result in homeowner inconvenience and likely damage to skirting. DHSMV will continue to provide post-inspection on a minimum of 10% of the properties mitigated at no cost to the program. The funding amount, indirect cost rate and funding period are unchanged.

Past Actions by the Board

The initial agreement was approved by the Board, September 2016.
