

HEALTHCARE PROFESSIONS

2018-19 Year in Review

Takeaways:

- The Division of Healthcare Professions administers eight certificate, seven Associate in Science (AS) degree and one Bachelor of Science (BS) degree programs.
- Spring 2018 enrollment in the Associate of Science in Nursing (ASN) program increased from 48 to 56 students, and NCLEX licensure pass rates for the most recent class was 99.07%.
- Last fall, the BSN program received a recommendation for initial accreditation and graduated its first class.
