The benefits of a tax-deferred savings plan include:

- **Pretax savings** — Contributions are made before federal income taxes are withheld, lowering your current taxes.
- **Timing** — The earlier you start, the more time your savings have to grow.
- **Flexibility** — Control the amount you want to contribute and the type of investment option.
- **Investment options** — Choose from well-recognized, professionally managed investment options to meet retirement goals.
- **Rollover option** — Your contributions are yours, even if you change employers, because you can roll over the vested balance into another tax-deferred savings account or IRA.
