INTRODUCTION

The Tallahassee State College's Salary Schedule is established annually pursuant to s.1001.64(18), F.S. The President recommends the Salary Schedule to the College's District Board of Trustees ("Board") at the June Board Meeting and, once adopted, it becomes the sole instrument used to determine employee compensation and supersedes all rules, handbooks and other policies. The Salary Schedule is not intended to create and/or be interpreted as a contract of employment nor does the Salary Schedule give employees the right to or an expectancy of continued employment.

PURPOSE

This Salary Schedule is designed to meet the following objectives:

- Ensure compensation actions are administered in a manner to comply with state and federal legal requirements;
- Enhance the College's ability to attract and retain qualified faculty and staff;
- Ensure fair treatment of employees through internal consistency;
- Provide a clear and concise reference for fair compensation decisions;
- Serve as a guide regarding employee salaries so that the compensation structure remains responsive to changes in the marketplace, the organization and funding availability.

ACCREDITATION

Tallahassee State College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award the Associate Degree. The Bachelor of Science in Nursing (BSN) degree program is accredited by SACSCOC and the Accreditation Commission for Education in Nursing (ACEN).

GENERAL PROVISIONS

Effective Date

July 1, 2024

Budgeted Personnel Costs

The budget for salaries and benefits is approved annually by the Board as a major component of the College's Operating Budget. The budgeted costs are based on the annual amount required for each authorized position filled or to be filled. Throughout the year, the President and the Vice President of Administrative Services & Chief Business Officer are responsible for maintaining the salary budget. Funding provisions within this Salary Schedule are subject to the maximum identified by the President. Budgeted compensation for those individuals identified in s.1012.885 and 1012.886, F.S. are considered budgeted from appropriated state funds up to the allowable statutory limit, and any budgeted compensation in excess of said statutory limit considered budgeted proportionally from other college operating revenues sources, such as tuition and fees and other available funds.

Salaries

Salaries established for positions are based on 1.0 full time equivalent (FTE) unless otherwise noted. Salaries are adjusted for .50 or .75 FTE and eligible benefits are prorated as indicated in the College's policy manual.

Salary Increases/Changes In Salary

Salary increases will be determined as part of the annual planning and budgeting process. The President will recommend a salary increase proposal to the Board for approval and will subsequently notify employees of the Board's decision. Salary increases are contingent on availability of funding and are largely dependent upon the allocation of state funds and the College's budget priorities.

Eligible employees must be in good standing and not on a performance improvement plan. Additionally, employees must be in a regularly established position not grant funded, OPS, PSAV or PSC.

Probationary employees are not eligible for salary increases until the first of the following month after non-probationary status is obtained.

Maximum of Salary Range

When an employee reaches the maximum in salary range, a one-time non-recurring pay adjustment (equivalent to the pay increase) may be authorized when a salary increase is approved by the Board. The employee's base rate of pay will remain unchanged. Supplemental payments and payments for instruction, when not part of regular duties, are in addition to regular earnings, and may allow an employee to exceed assigned salary range.

Pay Dates

All College employees shall be paid on a monthly basis. Pay dates for all employees shall be the last College business day (Monday - Friday) of each month, unless otherwise established by the Vice President of Administrative Services & Chief Business Officer.

If an error has been noted in regards to wages, compensation, initial or promotional placement and is discovered, the wages of that employee will be adjusted accordingly. In the case of underpayment, the employee's pay rate will be adjusted in the present year. In the event of an overpayment, the College will collect all monies owed via payroll deduction or through the College's collection process if for a former employee. If necessary, the College may utilize a third-party collection agency to collect funds from former employees and any applicable collection fees would be assessed to the former employee's outstanding balance.

Addition of Positions and Job Classifications

Additional job titles, job descriptions and classifications may be developed as needed based upon the recommendation of the appropriate Vice President and Human Resources, with approval from the President. It is not necessary for the Board to approve new job titles, job descriptions and classifications.

Contracts and Grants Personnel

The College shall adhere to the established classification plan, salary schedules, and appointment procedures when appointing grant personnel. Exceptions to the College's standard practices must be

recommended by the Director of Financial Services, Vice President of Administrative Services & Chief Business Officer, Human Resources Director and approved by the President, and documented fully in the personnel files of the concerned employees.

When a new position is grant-funded, a job description is developed by the supervisor and Human Resources. Based on the duties, Human Resources places the position at the appropriate classification on the Salary Schedule; the salary may be specified by the grant. College funding beyond the grant period is determined by business necessity and other factors. Employees holding a grant-funded position are required to record grant-funded hours separately from College-funded hours.

The President may designate specific college closure periods that may/may not coincide with the terms of a specific grant. College funding outside of days identified as regular scheduled holidays or regular workdays identified by the grant-funded position is determined by the terms/conditions of the grant, business necessity and/or other controlling factors.

Board approved salary increases for personnel employed under federal/state grants will be granted only if the increases are budgeted in the grants.

Wireless Allowance Plans

Approved requests for wireless allowance plans may be made at any time during the fiscal year in Workday. Plans are determined on a year-to-year basis and may be rescinded and/or modified by College management. This allowance does not constitute an increase to base pay and will not be included in the calculation of percentage increases to base pay. It also is not reportable wages for College paid retirement plans. It will be counted as earned income for W-2 purposes.

Terminal Pay

Shall be calculated and determined in accordance with College Policy or the controlling terms and conditions of a contract and/or grant.

Other Provisions

Under special circumstances, the Board reserves the right to employ individuals in established positions not covered by the salary schedule. Any or all provisions of this schedule may be waived upon appropriate action by the Board. Changes to the approved Salary Schedule may only be made by the Human Resources Director with approval from the President or Vice President of Administrative Services & Chief Business Officer.

To attract and/or retain faculty and staff, the College is authorized to make salary adjustments beyond the normal salary schedules when specifically authorized by the President. During the contract year, the President is authorized to offer special contract terms to qualified faculty and staff as additional incentive for recruitment and/or retention of these employees. In instances where the marketplace salary or promotional placement for certain positions is beyond the maximum of the approved salary range or initial placement on the Salary Schedule, the President may recommend appropriate salary figure. Documentation must be provided to Human Resources by the requesting department that supports the adjustment.

SALARY STATEMENT

The Board determines the President's salary. The President, in turn, determines the salaries of his direct reports. As shown by Appendix B, all Classified Staff positions are assigned to a specific salary range based upon a fully documented assessment and approval from the President and Board.

Exempt and Non-Exempt Status

The federal Fair Labor Standards Act (FLSA) provides guidelines on employment status, child labor, minimum wage, overtime pay and record-keeping requirements. FLSA establishes wage and time requirements, sets federal minimum wage that must be paid and mandates when overtime must be paid. Employees not covered by the overtime provisions of FLSA are considered "exempt" (E), those covered by FLSA overtime provisions are "non-exempt" (NE). Effective July 1, 2024, federal guidelines require exempt positions earn a minimum of \$43,888 annually and meet additional federal requirements.

Exempt (E) employees are those individuals who are exempt from the overtime provisions of the FLSA because they meet the requirements of the executive, professional, administrative or computer exemption.

Non-exempt (NE) employees are not exempt from overtime provisions of the FLSA. Such employees are entitled to receive overtime for all hours worked beyond 40 in a workweek. Alternatively, provisions for public employers allow for hours in excess of 40 hours per week to be paid in the form of compensatory leave.

Essential Personnel

In the event of extraordinary situations, the college may suspend normal operations and classes in whole or in part. In such instances, staff designated as essential personnel must fulfill duties to: (1) ensure the continuation of critical College operations; (2) attend to the needs of students and other members of the College community; and (3) protect the College's assets. Essential personnel may be exempt or non-exempt under FLSA standards and are designated by the appropriate executive team member.

If the Athletic Director position is filled in a part-time capacity, the part-time Athletic Director will be compensated by salary supplement at a minimum of \$5,000 to a maximum of \$10,000.

Contract Provisions: Employees hired in Head Coach and Athletic Director positions shall be on annual contract. Assistant Coaches may be hired in a 10-month professional services contract.

Athletic employees shall be available for College business at all times throughout the standard work week, as well as outside regular work hours, unless performing authorized travel or other approved absence.

Other Classified Staff Provisions

1. **Timesheet Reporting Period:** The reporting period for some Classified staff that hold a non-exempt role is outlined by Appendix E.
2. **Timesheet Submission:** Non-exempt Classified staff are to submit timesheets on a weekly basis to their supervisor in order to meet payroll deadlines.

If the timesheet is not turned in to the supervisor by the designated Time and Attendance lockout dates, the employee may be required to wait until the next payroll cycle to receive compensation for that reporting period.

RETIREES

For the purpose of extending College retirement benefits other than the Retirement Incentive Plan, a retiree shall be defined as either:

1. An employee who meets the retirement criteria under the Florida Retirement System (FRS) Pension Plans and draws a retirement benefit from FRS; or
2. An employee who is under an ORP retirement plan or FRS Investment Plan and draws a benefit from the TSC-paid ORP or FRS Investment Plan and who has at least eight years of creditable service as defined by FRS.

Special Retiree Pay 401a Plan

Effective November 1, 2000, all employees at time of retirement from the College shall participate in the Special Retiree Pay plan by transferring an IRS-defined amount into a 401a defined contribution account.

The amount transferred into the account is exempt from FICA taxes, and payment of federal withholding taxes is deferred until funds are withdrawn from the plan by the retiree at a later date. If an employee has not reached age 55 or older at the time of separation of service, any funds withdrawn from the 401a account may be subject to a ten (10) percent penalty for early withdrawal in accordance with IRS regulations.

The 401a contribution shall be calculated not to exceed one hundred (100) percent of the total of the employee's salary plus terminal pay up to the maximum allowed by IRS; however, the contribution cannot exceed the amount of the employee's terminal pay. The salary period for calculation will be based on the College's fiscal year (July 1 through June 30).

Complete information about the Special Retiree Pay plan is available in Human Resources.

Deferred Retirement Option Program (DROP) - 121.091(13) FS

The Deferred Retirement Option Program (DROP) is an alternative method for payout of retirement benefits. Any employee who is a vested member of the Florida Retirement System Pension Plan (FRS) and who reaches normal retirement, either by service years or age shall be eligible to participate in DROP.

An employee wishing to elect DROP must provide written notification of intent to their immediate supervisor and Human Resources not less than sixty (60) calendar days prior to the date of DROP retirement.

An employee participating in DROP may elect to be paid for unused annual leave at the employee's current rate of pay, to the extent that the payment does not exceed the maximum payout for annual leave in accordance with District Board of Trustees Policy Manual. This payment can either be made upon entering DROP or at the conclusion of DROP, but will only be counted in the retirement calculation one time.

Annual leave shall be earned during the DROP period, and unpaid annual leave shall be carried forward until used or paid at termination. Annual leave paid at termination shall not be counted in the retirement calculation if the annual leave was paid upon entering DROP.

Sick leave shall be earned during the DROP period, and unpaid sick leave shall be carried forward until used or paid at termination. All sick leave allowable per 121.091, F.S. up to a maximum of 480 hours shall be paid at termination at the current hourly rate of the employee. Sick Leave is paid out on a percentage scale as follows:

- 0-3 Years 35%
- 4-6 Years 40%
- 7-9 Years 45%
- 10 Years or more 50%, with a max of 480 hours.

When an employee retires and enters the DROP program, the contribution amount into the 401a will be calculated based on fiscal year salary and terminal pay in increments. Contributions are made to the Plan at the end of each fiscal year of the DROP period leading up to your actual retirement date. The contribution amounts are based on salary and percentage of eligible sick leave. In accordance with College policy, employees terminating prior to the end date of their DROP will be paid 100% of their eligible sick leave balance. If an employee is participating in the DROP and the retirement incentive, the retirement incentive payout shall occur as outlined in the retirement incentive sections of the Board-approved Salary Schedule.

Complete information about DROP is available in Human Resources.

Retirement Incentive

If an employee who was hired prior to July 1, 1995, elects to retire within thirty-six (36) months from achievement of normal retirement as defined in 121.091(1), F.S. or 238.07, F.S., the College shall pay up to a maximum of one thousand four hundred forty (1,440) hours of sick leave as allowed by 1012.865(2) (d)(5), F.S. This compensation shall be calculated at the hourly rate of pay at termination.

Any employee not choosing to exercise the above option shall not be eligible for the retirement incentive plan and shall follow the procedures in accordance to the District Board of Trustees Sick Leave Policy Manual.

Retirees exercising the retirement incentive shall receive compensation as follows:

- **First payment:** at the time of retirement, a ten percent (10%) incentive shall be paid based on the salary at retirement for those using the retirement incentive option. This incentive will be deposited into the Special Retiree Pay 401a/403(b) plan in accordance with IRS regulations.
- **Second payment:** that portion of the accumulated sick leave hours which represents zero to four hundred eighty (0 - 480) hours with payment made into the Special Retiree Pay 401a plan five (5) months from termination.
- **Third payment:** that portion of the accumulated sick leave hours which represents four hundred eighty-one to nine hundred sixty (481 - 960) hours with payment made into the Special Retiree Pay 401a/403(b) plan twenty-six (26) months from termination.
- **Fourth payment:** that portion of the accumulated sick leave hours which represents nine-hundred and sixty-one to one thousand four hundred forty hours (961 - 1,440) with payment made into the Special Retiree Pay 401a/403(b) plan thirty-nine (39) months from termination.

Anyone wishing to retire must provide written notification of intent to their immediate supervisor and Human Resource Director not less than sixty (60) calendar days prior to the date of retirement in order to participate in the retirement incentive.

Reemployment Provisions for Retirees

Retirees shall have retired per 121.091(1) FS or 238.07, FS. Retirees must follow reemployment rules as outlined by FRS prior to returning to employment with an FRS participating employer. Retirees include anyone retiring from the Pension Plan, Investment Plan, DROP Program, or Optional Retirement Plan. Human Resources must be contacted prior to reemployment to confirm eligibility.

TIME LIMITED EMPLOYEES

Other Personal Services (OPS)

Hourly employees are hired to fill temporary positions created to accomplish a specific task within a specific time. These employees work on an "as needed" or "available funds" basis and are compensated on an "hours worked" basis only. An hourly employee does not serve on a contractual basis nor does the authorization form for hire constitute a contract. Hourly employees are classified as Other Personal Services (OPS), including Tutors and Work-Study Students. These employees are non-exempt and covered under the overtime provisions of the FLSA and may work no more than 25 hours a week.

Non-TSC students employed in this category will be subject to the Federal Medicare tax and will be required to contribute to the Alternate FICA Plan. After employees work a minimum of 2,080 hours, they are subject to combined FICA and Medicare taxes, as mandated by state and federal law, and are eligible for employer contributions in the Florida Retirement System (FRS).

Work-study Students

Student personnel may qualify to work under the Federal College Work-Study (FCWS) program for a specified number of hours as determined by the Financial Aid Office. Work-study students are not eligible to receive employee benefits and are exempt from Social Security and Medicare taxes.

The hourly rate for work-study student employees is \$1.25 above the minimum hourly rate set by the Florida Minimum Wage Act.

Other Time Limited Provisions

1. **Timesheet Reporting Period:** The reporting period for OPS and Work-study Student employees is the same as the reporting period for non-exempt staff as outlined by Appendix D.
2. **Timesheet Submission:** OPS and Work-study Student employee are to submit timesheets on a weekly basis to their supervisor in order to meet payroll deadlines.

If the timesheet is not turned in to the supervisor by the designated Time and Attendance lockout dates, employee may be required to wait until the next payroll cycle to receive compensation for that reporting period.

Professional Services Contract (PSC)

Providers working as Professional Service Contractors serve the College in a temporary capacity to complete a specific task within a determined period of time, which may be as little as one day to no more than six (6) months. Professional Services Contracts shall not extend beyond six (6) months without approval by the Director of Human Resources and Vice President of Administrative Services & Chief Business Officer. Payments may be one time only or multiple payments as determined by the contract.

Contracts & Grants

Employees working on a contract or grant are considered time limited employees (year-to-year) or as the contract/grant budget allows. Positions in this category are funded by an agency other than the College. The College's grant funded positions are listed in Appendix C.
