

Dr. Felicia Williams
Career and Academic Advisor

Project Overview: A module-driven, student tutorial experience designed to provide quick links to student success, best practices and resources.

Rationale

- Identified as part of a multi-faceted approach to provide enhanced support for identified student populations.
- Designed to provide equitable outcomes and experiences for GED graduates.

GED Student Success Tool Kit

Outcomes (Student Success):

- Campus Resources/Study Skills
- Academic Support/Academic Mapping
- Finances/Scholarship Opportunities
- Extracurricular Activities/Academic Enrichment
